## Innocenceorden

Djursholm, 18<sup>th</sup> of September 2021

*Dear member,*

The pandemic is not over yet and it unfortunately has consequences for our opportunities to meet. The General Conclaven (Board of the Order) has recently met and stated that at present it is not possible in a responsible way to plan to arrange a ball of the magnitude that the celebration of The Day of Solemnity usually entails. Despite positive signals from the authorities, the risks and uncertainties are still too great. Unfortunately, there will be no ball in 2021, Order Year 256.

To celebrate *The Day of Solemnity*, the Order of Innocence feast day, members are welcome to set their own table at home on November 20<sup>th</sup>, as well as dedicate thought and energy to the Order's charities, the Scouts, and the Elderly Contact. These two organizations have fought bravely and overcome the pandemic with bravura.
